

Sofar Home Battery

Highly compatible — a strong retrofit option for existing solar systems.

Key Specifications	
Capacity	Modular battery range
Chemistry	LFP
Inverter	Compatible with Sofar, GoodWe, Sungrow & Solis inverters
Usable depth of discharge	High usable capacity
Cycle life	Long-life LFP cells
Efficiency	High round-trip efficiency
Protection rating	Outdoor-rated options available
Warranty	10 years

Sofar's battery range stands out for cross-brand compatibility — it works cleanly with Sofar, GoodWe, Sungrow and Solis inverters, making it one of the easiest batteries to retrofit onto an existing solar system.
