

Eging PV Solar Panels

A value-focused, bifacial dual-glass Tier 1 option distributed through Australian solar wholesalers.

Key Specifications	
Wattage range	440W
Cell technology	N-type mono, bifacial, dual glass, 108 half-cells
Efficiency	≈21.5%
Warranty	15 yr product / 25 yr performance
Manufacturing origin	China

Eging PV is a Tier 1-listed Chinese panel manufacturer. The Bifacial DG 440W is an N-type monocrystalline dual-glass module with 108 half-cells, offering bifacial generation at a value-focused price point through Australian solar wholesalers including OSW Energy. It's a solid option where budget matters without dropping below Tier 1 / CEC-approved status.
