

Risen Energy Solar Panels

One of the world's largest panel makers, trading since 1986 — the panel in our PV+Battery bundle.

Key Specifications	
Wattage range	475W
Cell technology	N-type TOPCon, bifacial, 96 half-cells
Efficiency	≈22.0%
Warranty	15 yr product / 25 yr performance
Manufacturing origin	China (trading since 1986)

Risen Energy is one of the longest-established names in solar manufacturing, trading since 1986 and consistently ranked among the top ten panel makers globally by shipment volume. The RSM96-11 475W is an N-type TOPCon bifacial module with 96 half-cells and a black frame, sourced through OSW Energy. It's this combination of scale, trading history and value pricing that makes Risen the panel behind our PV + Battery bundle offer.
